

# Presentation Rehearsal Studio

## Wireless Screen Sharing

This studio is now enabled with wireless collaboration technology. Follow the steps below to display up to four devices on screen and collaborate with your group.

### Connect to eduroam

Set up the eduroam Wi-Fi network on your device

1

- Go to - <https://cat.eduroam.org>
- Select UCD from the list of institutions
- Download and install the UCD profile
- Enter your UCD login details when prompted

### Connect to Screen

Note the IP address displayed on the TV Screen

2

- Enter the IP address into your web-browser
- Click *Connect* to download the setup file
- Install and Launch the application
- Enter the Screen Key displayed on screen and click *OK*

### Display and Collaborate

Wirelessly display your laptop or mobile device

3

- Click *Share Desktop* to display on-screen
- 4 devices can be displayed simultaneously
- Share video, images, files and applications
- Click *Stop Sharing* and *Disconnect* to end the session
